

Persistent Organic Pollutant- Certificate of compliance

Persistent Organic Pollutants (POPs) are regulated worldwide by the Stockholm Convention and the Aarhus Protocol. The European Union restricts the use of POP under the Regulation (EU) 2019/1021.

POPs mentioned in Annex I or Annex II of the Regulation (EU) 2019/1021 are not added in LMI products intentionally.

The information provided in this Certificate of Compliance is accurate, to the best of our knowledge at the date this certification was issued. For this letter LMI Technologies solely relies upon the supplier provided information, however LMI have taken all reasonable steps to verify the supply line information regarding the absence of these restricted substances.
